

**A small sample of some of the fantastic innovative solutions for your home.**

**LaMans:**

The intelligent corner unit solution, that functions with efficiency, innovation and quality.

**Lazy Susan:**

This is the classical corner storage solution, stylish and practical.

**#15 Pull Out:**

A convenient storage solution for spices & oils, baking trays or your t-towel.

## **Tandem Pull Out Pantry:**

A flexible storage solution for your pantry requirements. This makes the best use of space which also promotes good organisational and fast access.

### **One2Five Pull Out Bin System:**

The perfect solution for your waste and recycling requirements. Many different configurations available.

### **Laundry Hampers:**

A wonderful time saving double basket laundry hamper. You can separate your washing into the whites and colours when you place your washing in the baskets.

**Clever Storage Solutions for your overhead cabinetry:**

Effortless operation, smooth movement that gives you the ability of bringing the top shelf to a safe and easy access height.

## **Many Different Lighting Solutions:**

Strip lighting is increasing popular, with its different light sources to suit all tastes. Operating with a sensor switch, that activates on and off with just a wave of your hand.

LED Down lights are also available in cool, warm and daylight, a colour to match your mood.

### **Appliances:**

We supply a variety of ovens, hotplates, range hoods, dishwashers, sinks and taps.
